

introducing a brand new online way to view your PICS spending summary

We designed a totally new system that presents your spending summary anytime you want it. Visit www.PICSweb.org and look under *Resources*. This is a FREE service for you.

save trees and get
better information!

All new design

Instant results - no waiting

User friendly

Updated twice daily, always current

One username for multiple accounts

Designed to replace paper summaries

Please note

Customers who choose to continue receiving paper spending summaries, will receive them in the old format. The new, online format includes a visual graph of your spending in each category, and reflects the most up-to-date spending information, accessible 24/7. For more information, contact your Program Manager.
