

*Good Life Seminars*  
Began presentations around  
2006 as a project with the  
*Minnesota Statewide Steering  
Committee for System Redesign.*

It was part of a collaborative effort on  
the part of many  
organizations and individuals-  
as organizers, donors, sponsors,  
presenters, some of whom I try to list  
here:

Achieve Services; Anoka County  
Social Services-DD Division; Arc  
Minnesota; Arc Greater Twin Cities;  
Brain Injury Association of Minnesota;  
The CCP Foundation; Courey, Kosanda &  
Zimmer Law Office; CCP-Consumer  
Directed Services; Dakota Communities;  
Governor's Council on Developmental  
Disabilities; Hammer Residences;  
Hennepin County Social Services-DD  
Division; Lifeworks Services Inc;  
Lutheran Social Services; MRCl; Orion  
ISO; Partners In Community Support-  
PICS; Star Services.

It is in the same interest and  
spirit that this seminar comes to  
you, as promised as a follow-up!

If you have been forgotten,  
it is truly accidental and will be corrected!
